	How does this year deliver your curriculum intent?		In Y9, students will build upon their understanding of the Six Main World Religions, as well as various other world views. They will understand and explore their communalities and diversities and be able to ask questions as well as correct misunderstandings. The curriculum encourages tolerance, respect, empathy and kindness in our school and local communities.			What does assessment look like?		Students will complete a baseline and endpoint assessment mind map for each topic covered in RS. They will also be assessed on their knowledge and understanding during Sharp Starts and homework consisting of quizzes and key word tests.
