Sir Thomas Wharton Academy

Delivering exceptional learning experiences that enable all young people to thrive in a competitive world and lead successful and fulfilling lives.

THE HIGHEST STANDARDS	INVEST TO ACHIEVE	EVERYONE IS VALUED	NO EXCUSES	NEVER GIVE UP	CULTIVATE YOUR CHARACTER
Always set and deliver the highest standards: never settle for less.	Care about the now; create the very best for your future.	We are unique individuals working together to be the best.	Create solutions, not excuses.	Resilience is essential; self-belief drives improvement.	Qualifications open doors; your character gets you through them.

Geography Year 13 2023-2024

Half Term 1	Week 0	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7- LC1	Holiday
		Water and carbon cycles: what are the major factors that drive the magnitude of water and carbon stores?

	NEA				Trial Examinations	NEA			
Half Term 3	Week 16	Week 17	Week 18	Week 19	Week 20	Holiday			
	NEA								
Half Term 4	Week 21	Week 22	Week 23	Week 24	Week 25	Week 26	Holiday		
	Closing the gaps and exam masterclass								
Half Term 5	Week 27	Week 28- LC3	Week 29	Week 30	Week 31	Week 32	Holiday		
	Closing the gaps and exam masterclass			Final Examinations					
Half Term 6	Week 33	Week 34	Week 35	Week 36	Week 37	Week 38	Week 39		
	Final Examinations								

How does this year deliver your curriculum intent?	This is the second year of A level study. Each lesson will be challenging and well-structured so that you can make progress towards an A* grade. Your teachers are highly experienced assessors of the A level and so you will receive focused guidance to ensure that you make excellent progress. The geographical content is wide ranging and you will be required, for example, to build your knowledge of the contrasting features of urbanisation in contrasting areas of economic development, conduct a personal high quality geographical investigation, and investigate the hugely important issue of global cycles of carbon.
