	Global superpowers: the might of China and Russia.								
	Global systems: how do supra-national organisation influence life?								
	Global hazards: what factors create hazard risk?								

<p>How does this year deliver your curriculum intent?</p>	<p>The year nine geography curriculum is a highly challenging and engaging course that prepares students for the rigours of study at key stage four. Students study a variety of knowledge-rich modules that encompass a range of geographic concepts and skills. This final year of key stage three study ensures that all students are well-prepared to gain the highest grades at GCSE, and allows students to develop cross-curricular links with science, maths, and English.</p>
