

**THE HIGHEST
STANDARDS**

Always set and deliver
the highest standards:
never settle for less.

**INVEST TO
ACHIEVE**

Care about the now;
create the very best for
your future.

**EVERYONE IS
VALUED**

We are unique
individuals working
together to be the best.

**NO
EXCUSES**

Create solutions,
not excuses.

**NEVER
GIVE UP**

Resilience is essential;
self-belief drives
improvement.

**CULTIVATE YOUR
CHARACTER**

Qualifications open
doors; your character
gets you through them.

Half Term 6	Week 33	Week 34	Week 35	Week 36	Week 37	Week 38	Week 39		
	Final Examinations								

How does this year deliver your curriculum intent?

Student inquisitiveness of the world around them is driven through the investigation of theoretical and research concepts whilst allowing students the opportunity to examine and analyse different perspectives, and psychological concepts. This year students will become proficient in critiquing research and theories, debating opposing explanations to behaviour and unpicking research. Students will see the application of psychological ideas and research to policy development and society in general.
