

THE HIGHEST
STANDARDS

Always set and deliver
the highest standards:
never settle for less.

INVEST TO
ACHIEVE

Care about the now;
create the very best for
your future.

EVERYONE IS
VALUED

We are unique individuals working together to be the best.

**NO
EXCUSES**

Create solutions,
not excuses.

**NEVER
GIVE UP**

Resilience is essential;
self-belief drives
improvement.

CULTIVATE YOUR CHARACTER

Qualifications open doors; your character gets you through them.

How does this year deliver your curriculum intent?		Students are working on key knowledge from year 9 and 10 and securing the mathematical content. Fluency is built into every section of the plan but there is an increased focus on reasoning and problem solving to build resilience and to exemplify unfamiliar contexts. This builds strong mathematicians who are able to apply their skills to more complex content beyond this level and into further study.
