30 January 2024

Dear Parent/Carer

**Trip – Your Future Careers Event**

We are taking all of Year 10 to a Careers event - Your Future Careers Fair - on Thursday 7th March 2024 at Doncaster Racecourse. This event is for young people aged 14-24 to inspire, enthuse and motivate them to think about prospective careers, the employment options available to them, and to make the most of their remaining time in education.

The 'Your Future Careers Fair' is run by Doncaster Chamber and is a government funded national project. The aim of this event is to provide your child with vital information on discovering and solidifying their future career path. The Your Future Careers Fair will be attended by local businesses, colleges, apprenticeship organisations, and universities.

The event is free of charge and gives a valuable opportunity for your child to gather information about their future choices.

Please note that photographs may be taken at this event to be used by Doncaster Chamber in press releases or reports about the Your Future Careers Fair. If you would prefer that your child is not included on these pictures, please make your child aware as Doncaster Chamber will ask this question when they register on the day.

Please complete the consent form on this link <https://forms.office.com/e/Swsxg9QmnQ> by 23rd February to ensure your child is able to attend this event. Students will not be able to attend this trip if this form is not completed.

Thank you in anticipation of your full support.

Yours faithfully

Mrs J Brooke  
**Subject Lead - Careers**
