13 June 2025

Dear Parents and Carers

Sports Day 2025

We are excited to announce that this year's Sports Day will be held on Friday 20 June.

As in previous years, all students will wear the full academy PE kit to school for the duration of the day. Plain black leggings or shorts may be worn, however, I must stress that these need to be a suitable length. If students put their hands on their knees and their palms do not touch the bottom of their shorts, they are too short and an alternative should be worn instead. If a student's kit is not appropriate, they will be expected to get changed into PE kit provided by the academy at the start of the day.

Although we encourage as many students as possible to take part, we understand that competitive sport is not for everyone, therefore, students who **do** wish to take part, will sign up during tutor time and will be issued with an 'out of lesson pass' which they will need to show to their class teachers in order to leave lessons.

Students who are not taking part in activities during the morning will attend lessons as normal and should therefore be equipped with everything they need for the morning, such as their planner and stationery etc. **All students who do not sign up will be expected to attend their normal lessons for periods 1 and 2.**

During period 3, all students will come together on the field to watch/participate in the finale. After lunch, all students will return to their form room to register and then walk down to the field with their tutor. All students will be sat on the field in the afternoon, so please ensure that they have water and suncream, along with their PE hoody in case it is chilly.

Please ensure that all students are in school on this day as lessons will be taking place as normal and it is important that students do not miss out on vital content.

If you have any further questions regarding Sports Day, please get in touch.

Yours sincerely

Miss J Rusby

Subject Leader – Physical Education
