Dear Parents and Carers

We are delighted to inform you that our students have achieved our whole-school attendance target this half term. This is a fantastic achievement as it is significantly higher than in previous years, and we would like to express our gratitude to all our pupils and families for their continued effort and support in prioritising attendance.

At the beginning of this term, we announced that if we met the target, we would be having a whole-school non-uniform day on the final day of this half term. Therefore, students may come to school in their own clothes on Thursday. However, we kindly request that all outfits are suitable for a school setting. Please avoid cropped tops, offensive slogans, or inappropriate footwear. We will also be relaxing our normal expectations on jewellery and make-up for this one day only.

We will continue to operate our normal single point of entry system, where we will be checking for the above-mentioned expectations on outfits.

This non-uniform day is a reward for the students' excellent attendance and commitment to school. There is no cost associated with this day.

Thank you once again for your support in helping us reach our attendance goal. We will be setting students another goal next half term, which we will share with you upon our return.

Yours sincerely

Mr G Sills
Vice Principal
