

As June is Pride Month, we'd like to share some book recommendations that include LGBTQ+ in their characters or as their theme. These books are accessible for all students and serve to broaden their knowledge and understanding of the LGBTQ+ community.

The books that we have in the Library are: -

Heartstopper

Pride in the Arts

Pride in Sports

Pride in Change

Annie on my Mind

Parrotfish

If You Could Be Mine

Totally Joe

Liberty Bell, I Love You, Goodbye

What I Was

Fearless

The Both Die at the End

There are also books concerning mental health and confidence in being yourself.
