Dear Ambassadors

As you know, all Ambassadors are currently working on a project with the team from the NHS and Sheffield Teaching Hospitals Trust. The project is all about Stroke Prevention.

In your teams, we hope you will be working together to come up with an idea, plan and then carry out your projects. This can be done by means of a poster, a video, a power point presentation or even a TikTok.

All the Schools and teams participating are invited to **St Mary's Church, Conference and Community Centre, Bramall Lane, Sheffield, S2 4QZ** on **6<sup>th</sup> February 2024** to present your projects to a panel of staff from the NHS. These will then be judged and the winners announced with some prizes to be handed out.

The following schools will be attending the Afternoon session 12.30 – 14.30.

**Sir Thomas Wharton Academy, Wath Academy, King Edward VII School, Maltby Academy, Sheaf Training Centre**

We know this can be daunting so if you want to invite any parents and carers along to watch the presentations at **1.00- 2.30pm** then please ask them to come.
